Department of Electronics and Communication
International /National – Conferences Publications details

June 2017 – May 2018					
S No	International / National	Name of the Conference/Publications	Title of the paper	Venue	Month/Year
Mr.V.S.Sundaramoorthy					
1	International Conference	International Conference on Materials for Energy and Environment (ICMEE 2018)	E-shaped wideband antenna for 5G mobile Communications and space communication	Loyola College, Chennai	22 - 23 February 2018
Dr.S.Sumathi					
2	International Conference	International Conference on Communication, Computing and Internet of Things (IC3IoT)	Survey of Multimodal biometric using ear and finger knuckle image	Sri SaiRam Engineering College,Chennai 978-1-5386-2459-3	15-17, February 2018
3	International Conference	International Conference on Communication ,computing &Internet of things IC3IoT	Borewell water quality and motor monitoring based on IoT gateway	Sri SaiRam Engineering College,Chennai 978-1-5386-2459-3	15-17, February 2018
4	International Conference	International Conference on Communication ,computing &Internet of things IC3IoT	A GPS based Dengue risk index to predict the susceptibility of an individual	Sri SaiRam Engineering College, Chennai 978-1-5386-2459-3	15-17, February 2018
5	International Conference	International Conference on Communication, computing &Internet of things IC3IoT	UART IP Core chip verification	Sri SaiRam Engineering College, Chennai 978-1-5386-2459-3	15-17, February 2018
6	International Conference	International Conference on Communication ,computing &Internet of things IC3IoT	GAIT feedback system for elderly suffering from Parkinson disease	Sri SaiRam Engineering College, Chennai 978-1-5386-2459-3	15-17, February 2018
7	International Conference	International Conference on Communication	Automatic Gas Controller	Sri SaiRam Engineering	15-17, February 2018

		,computing &Internet of things IC3IoT		College, Chennai 978-1-5386-2459-3	
8	International Conference	International Conference on Communication , computing &Internet of things IC3IoT	An automated approach to weed out Prosopis juliflora(karuvelam) trees	Sri SaiRam Engineering College, Chennai 978-1-5386-2459-3	15-17, February 2018
Ms.J.Thamilselvi					
9	International Conference	International Conference on Computational methods in engineering and health sciences(ICCMEH)	Fourth order diffusion model based edge map extraction of infrared breast images	Manipal Institute of Technology, Mangalore	19-20, December,2017
Dr.E.Priya					
10	International Conference	2nd International Conference on Smart computing and informatics (SCI- 2018)	Statistical Analysis of EMG based features for different hand movements	Prasad V Potluri Siddartha institute of tech, Vijayawada	27, January 2018
Dr.J.BrittoPari					
11	International Conference	3 rd International Conference on Recent trends in Engineering and Technology(ICRTET-2018)	VLSI design for convolutive blind source separation	St.Joseph Institute of Technology	05 May 2018
Ms S.Brindha					
12	International Conference	2nd World Congress on Engineering and applications -WCEA-2017.	Analysis of power consumption in Macro and Micro Cellular base stations	Pattaya, Thailand.	15- 16, December, 2017.
13	International Conference	International Conference on Communication ,computing &Internet of things IC3IOT	Design of conformal antenna for Wireless capsule	Sri Sairam Engineering College, Chennai	15-17, February 2018
Ms. G. Sudha					
14	International Conference	International Conference on Communication, Computing & Internet of Things IC3IoT' 2018	Smart Wheel Chair for Quadriplegics	Sri Sairam Engineering College, Chennai	15-17, February 2018
Ms. K.Lakshmi Joshitha					

15	International conference	International Conference on Communication ,computing &Internet of things IC3IoT	Automatic gas controller	Sri Sairam Engineering College, Chennai	15 February 2018
16	International conference	International Conference on Electronics and Telecommunication Systems	Semi-Autonomous Rail Rift Revealer	Karpagam College of Engineering and Technology	22 March 2018
17	International conference	International Conference on Communication ,computing &Internet of things IC3IoT	Automatic Charging of multiple smartphones using light beam	Sri Sairam Engineering College, Chennai	15 February 2018
18	International conference	Proceedings - International Conference on Trends in Electronics and Informatics, ICEI 2017	On an effort to enhance lifetime of a regression based clustered network using candidate selection	<u>SCAD Engineering college, Tirunelveli (SCOPUS)</u>	2018
Ms. N.Shivaani Varsha					
19	National Conference	National Conference on Design Automation in Electronics and Communication (DAEC'18)	Smart voting using finger vein extraction and Authentication	R.M.D Engineering College	2 April 2018
Ms. M.Kanthimathi					
20	International Conference	International Conference on Communication, Computing & Internet of Things IC3IoT' 2018	Energy Efficient analysis of Differential space Shift keying Technique in Wireless Sensor Networks	Sri Sairam Engineering College, Chennai	15-17, February 2018
Ms. M.Methini					
21	International Conference	International Conference on Communication, Computing & Internet of Things IC3IoT' 2018	Far Infrared based Life Detection system to rescue alive victims under debris	Sri Sairam Engineering College, Chennai	15-17, February 2018
22	International Conference	International Conference on Intelligent Computing and Control systems (ICICCS 2017)	Analysis of Dielectric Lens loaded Antenna	DOI: 10.1109/ICCON S.2017.8250607 . SCOPUS	11 January 2018
Ms.G.Shanthakumari					

23	International Conference	International Conference on Communication, Computing and Internet of Things (IC3IoT)	Kite Power Production of electricity from the wind current using kites	978-1-5386-2459-3 Sri Sairam Engineering College, Chennai	15-17, February 2018
Ms K Subhashini					
24	International conference	International conference on advanced scientific innovation in Science, Engineering and Technology(ICASISSET 2018)	People Identification assistant using facial expressions detection and recognition for visually impaired people	Bharath Institute of Higher Education and Research	11 April 2018
25	International Conference	International Conference on Communication, Computing & Internet of Things IC3IoT' 2018	People Identification assistant using facial expressions recognition for blind people	Sri Sairam Engineering College, Chennai 978-1-5386-2459-3	15-17, February 2018
Ms C.N.Savithri					
26	International Conference	2nd International Conference on Smart computing and informatics (SCI- 2018)	Statistical Analysis of EMG based features for different hand movements	Prasad V Potluri Siddartha institute of tech, Vijayawada	27, January 2018
Ms. C.A. Nirmala					
27	International Conference	8th International Conference on Science and Innovative sngineering-2018	Automatic door access using face recognition	Jawahar engineering college	1, April 2018
Ms. B.Rajalakshmi					
28	International Conference	International Conference on Communication, Computing and Internet of Things (IC3IoT)	Survey of Multimodal biometric using ear and finger knuckle image	Sri Sairam Engineering College, Chennai 978-1-5386-2459-3	15-17, February 2018
Mr. S.Prabhakaran					
29	International Conference	International Conference on Communication, Computing & Internet of Things IC3IoT' 2018	Voice assistance for visually impaired people	Sri Sairam Engineering College, Chennai 978-1-5386-2459-3	15-17, February 2018
Ms. J.Julia					

30	International Conference	International Conference on Communication, Computing & Internet of Things IC3IoT' 2018	Energy Efficient analysis of Differential space Shift keying Technique in Wireless Sensor Networks	Sri Sairam Engineering College, Chennai 978-1-5386-2459-3	15-17, February 2018
