International meet on communication held

TALK TEAM

The Department of ECE of Sri Sairam Engineering College, West Tambaram, organised an international conference on communication, computing and Internet of Things (IC 3 IoT'18) recently.

L R Prakash, director, Centre for Development of Advanced Computing (C-DAC), Chennai, inaugurated the programme.

He said C-DAC provides several courses in the field of advanced computing and software development and is always ready to help students and research scholars.

Karel L Sterckx, director, Bangkok University Centre of Research in Optoelectronics, Communications and Control Systems (BU-CROCCS), Thailand, urged the students to use technology with great morality. Around 400 papers were received, out of which 115 were shortlisted for publication and presentation.

Suman Sau, Research Associate, Nanyang Technological University, Sai Prakash Leo Muthu, CEO, Sairam Group of Institutions were among those present.
