Prof stresses on indigenous designs

[TALK TEAM]

The importance of making designs for various products in the country to ensure the success of the 'Make in India' programme was stressed by Professor of the Electrical Engineering Department of the Indian Institute of Technology,

Bombay, Girish Kumar at an international conference held at Sri Sairam Engineering College.

Addressing the participants during the three-day international conference on Communication, Computing and Internet of Things (IC3IoT2020) organised by the ECE department, he said, 'At

present we are only undertaking assembling'.

He was delivering at the valedictory address of the conference co-sponsored by the All India Council for Technical Education (AICTE) & technically sponsored by the Institution of Engineers (India).

Kyung Tae Kim, Emeritus Professor, Department of Information and Communication Engineer-

ing, Hannam University, Daejeon, South Korea, delivered a special address on 'Importance and Future Perspective of ML' on the inaugural day.

College chairman Sai Prakash Leo Muthu, gave the presidential address, principal A Rajendra Prasad, delivered the felicitation address and HOD J Raja welcomed the gathering.
