## Course content delivered in the Webinar is as follows:

**Ms. Dharshini A** started her webinar with the importance of the Resume building on 12th october 2023 for III year ECE Students. The webinar mainly focuses on how to create the powerful resume for the good placement for the dream companies. The speaker also gave us enlarged vision in what exactly to be included in the resume, also share her experience during her interview and the opportunities available for the engineers today.

Below some of the images which gives the pictorial overview of the webinar

The aim of the webinar was to give the better knowledge to build a resume for the career opportunities and the importance of upgrading the skills for the placement. Our Alumni Ms.Dharshini A interacted with students and by the end of the webinar she made us realize the great opportunities available for young and energetic students in the field of engineering.

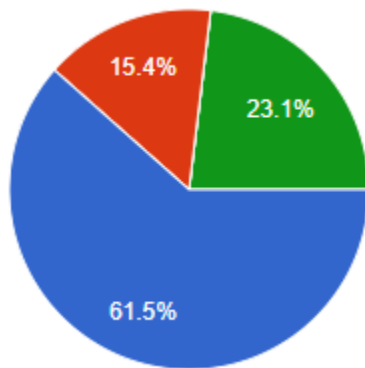

The seminar started with a welcome address by Ms. S.Rajalakshmi, Associate Professor ECE department and Special address by Dr. S.Sumathi of ECE department. The ECE department along with staff and the III Year ECE students attended the Webinar. Vote of thanks was delivered by the Ms.V.A.Velvizhi Assistant Professor ECE Department.
