IEEE AWARENESS SESSION

ORGANIZATION UNIT

Microwave Theory and Technology Society-SBC60981R

Sri Sairam Engineering College SB-STB60981

DATE OF EVENT: 22th February 2024

EVENT NAME: IEEE BEYOND BORDERS

TYPE OF THE EVENT: Awareness Session

MODE OF EVENT: Online

TARGET AUDIENCE: IEEE Members

NUMBER OF IEEE PARTICIPANTS: 54

EVENT START TIME: 8:00pm

EVENT END TIME: 9.00pm

EVENT DESCRIPTION

The Department of Electronics and Communication Engineering, Sri Sairam Engineering College, in association with IEEE Sairam SB and IEEE MTT-S SBC, successfully conducted the event “IEEE Beyond Borders: Unlocking Opportunities for Innovation and Growth” on February 22, 2025, at 8:00 PM via Google Meet. The session featured insightful talks by Ms. Shanmuga Jeyashree B (CEO & Founder of Zhagaram), who shared her entrepreneurial journey and stressed the importance of innovation, Ms. Mahalakshmi Sundarajan (Chairperson, IEEE SBC), who spoke on leveraging IEEE for global exposure, and Mr. Arun S (Treasurer, IEEE Sairam SB), who highlighted student-led initiatives and his personal growth through IEEE. The event witnessed enthusiastic participation from students, fostering a spirit of collaboration, leadership, and global networking. Coordinated efficiently by Pavithra R (Chair) and Arun S (Treasurer), the event was a resounding success, inspiring attendees to explore limitless opportunities through IEEE.

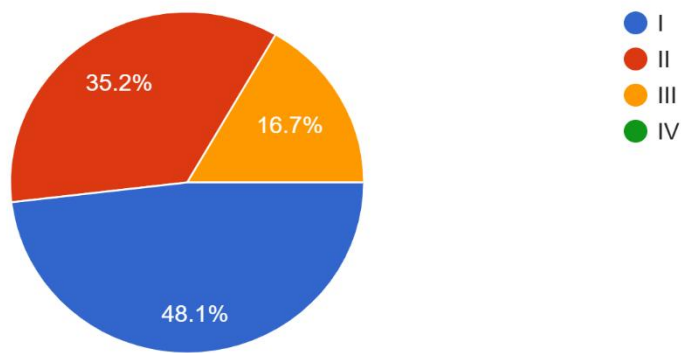

EVENT SUMMARY

The “IEEE Beyond Borders” event provided students with valuable exposure to real-world experiences and insights beyond the classroom. Each speaker brought a unique perspective, encouraging attendees to think globally and act innovatively in their academic and professional pursuits. The session helped bridge the gap between technical knowledge and its application in entrepreneurial and leadership roles.

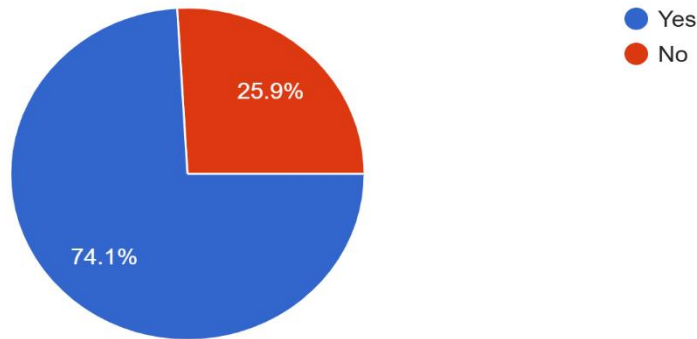

Participants engaged actively throughout the session, raising thoughtful questions and showing keen interest in the discussions. The event created a collaborative atmosphere that emphasized the importance of vision, networking, and continuous learning. It successfully left students motivated to take initiative and explore opportunities outside their comfort zones.
