DESCRIPTION OF THE EVENT

The Department of ECE, Sri Sairam Engineering College, and IETE Chennai Centre jointly organized a five-day online celebration for International Women's Day 2025, held from March 17-21, 2025. The event brought together diverse and inspiring guest speakers who shared their success stories, inspiring and empowering the audience.

With objectives to celebrate women's achievements, provide a platform for inspiring stories, and promote women's empowerment, the event saw inspiring stories, interactive sessions, and discussions. The online platform, Google Meet, facilitated seamless participation and engagement among attendees, fostering a sense of community and connection.

The celebration resulted in empowerment, awareness, and networking opportunities among participants, making it a successful and memorable event. The event's impact will be felt beyond the five-day celebration, as it continues to inspire and motivate individuals to strive for excellence and promote gender equality.

DAY 1 - Speaker: R. Santhabharathi

Topic: The Laws of Prediction

WELCOME ADDRESS:

The Welcome Address was delivered by Dr. S. Sumathi Madam, ISF Coordinator, Sri Sai Ram Engineering College.

FELICITATION:

The felicitation to the chief guest was given by Dr. S. Sumathi Madam, ISF Coordinator, Sri Sai Ram Engineering College.

GUEST INTRODUCTION:

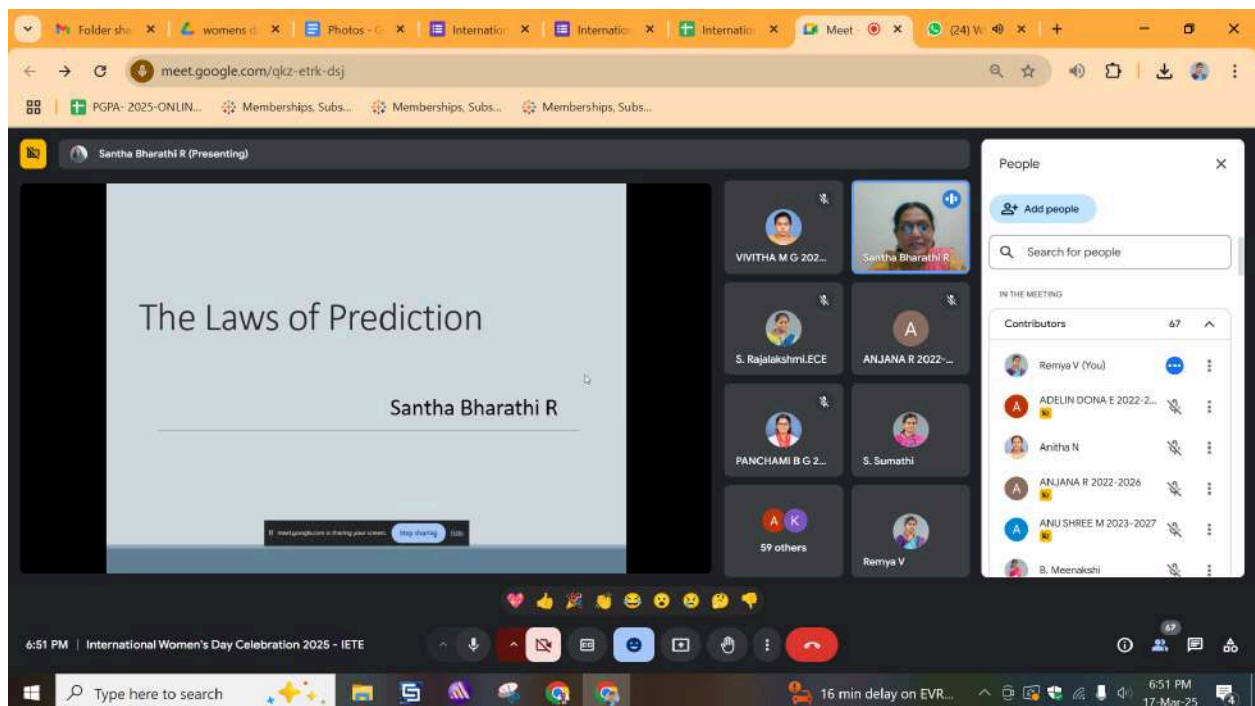

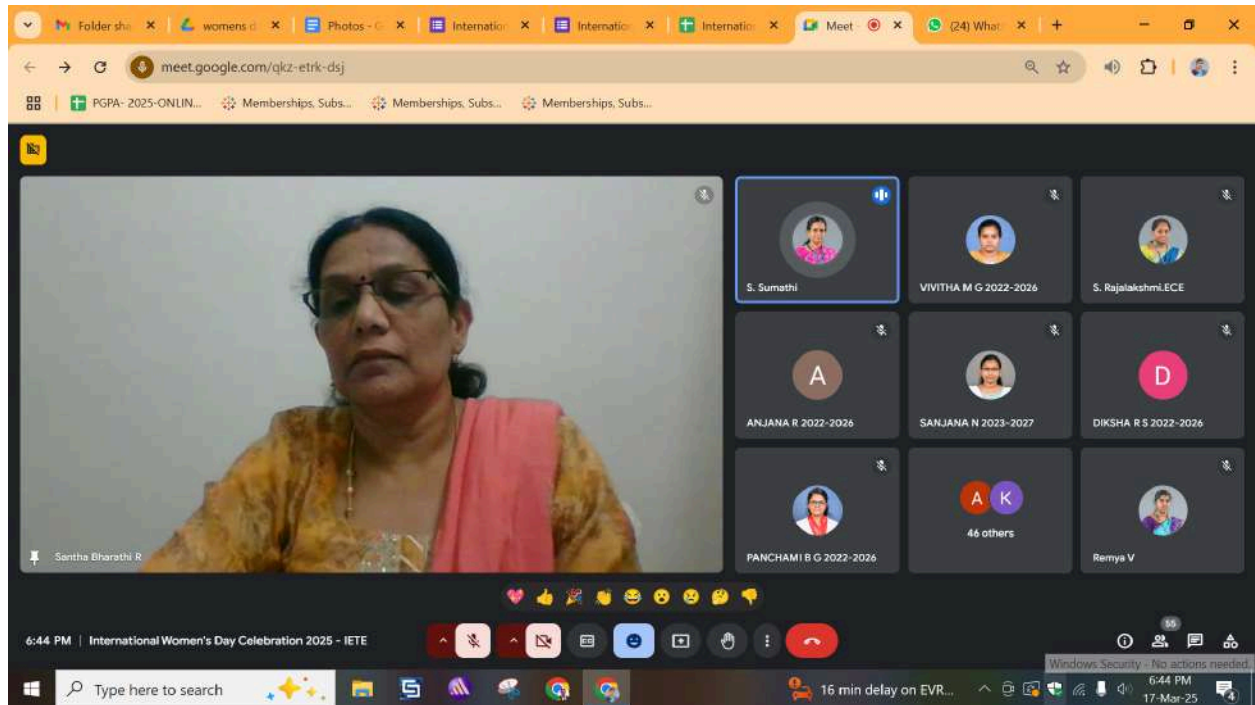

The Guest introduction was given by Ms. Vivitha M G, Student Campus Ambassador, Sri Sai Ram Engineering College.

CHIEF GUEST ADDRESS:

Ms. Santha Bharathi, Senior Space Scientist at ISRO Bangalore, delivered a motivational speech on Women's Day, titled "Predicting Success: Empowering Women in STEM". She shared her personal journey, overcoming challenges and biases in a male-dominated field, and emphasized the importance of perseverance, hard work, and networking. Ms. Bharathi discussed the "Laws of Prediction" and its relevance in space technology, sharing examples of successful predictions in space missions. She encouraged women to pursue careers in STEM, providing guidance on overcoming obstacles and achieving success, and emphasized the need for women empowerment and representation in STEM fields.
